## **mission**

It is our mission to continue to improve customer satisfaction in the supply of floor- and wall coverings.

## **markets**

Europe and North America and wherever our customers decide to need our products and services.

Although we try to show as accurate as possible the colors of the stone, this is a natural product: colors can vary slightly. We strongly advise to have professionals install the tiles and all natural stone should be treated with a sealer before use. Copyright © 2009 DBG Timber & Stone OÜ. All rights reserved.
